The Minister of Urban Development and Municipal Affairs

Mr. Bobby Hakim

Respected Sir,

We are a wellness focused professional organization , providing various performing arts and yoga classes to our learners and members from all over the city. We also work with under privileged children and those with special needs. We try to do our utmost to improve their quality of life by teaching the performing arts and having them participate in cultural events so that they become more social.

Our very first annual function is going to be held at Sarat Sadan auditorium (Behala) on 16th June 2017. On this occasion our learners and members along with a group of special children will showcase their skills in various activities.

We are pleased to invite you to attend our annual function as the chief guest. We would be greatly honored by your kind presence.

We sincerely hope that you will accept this invitation.

Thanking You

Yours Faithfully
